

Hello, I'm

Muhammad Isnul

Product Designer (UX/UI)

Creative Director & Designer

Six years on products people sit inside all day. I take a surface end to end: design system, brand, interface, and the front end that ships it. Design engineer working on point of sale, accounting, and school operations software, plus the brand and type systems around them.

Work Experience

Jan 2021 – Present
Product Designer, IMPACTO, for LUNAPOS
South Jakarta, Indonesia | Fulltime, onsite

Product design across nine apps Indonesian merchants run their shops on, plus the design system that holds them together.

- Designed and launched web and mobile apps: Laba Bisnis, Laba Saku, Luna POS, TokoLUNA, LUNA Owner, LUNA KiosK, LUNA KDS, LUNA Lite, and LUNA One.
- Built LUNITE, the LUNAPOS design system, so UI/UX work stopped restarting from scratch on every product.
- Contributed to branding through logo design across the apps.

Products: Luna POS, Laba Bisnis, Laba Saku, TokoLUNA, LUNA One, LUNA Owner, LUNA KiosK, LUNA KDS, LUNA Lite

Apr 2026 – Aug 2026
Head of Marketing Strategy, SAMASE Sports Club
South Tangerang, Indonesia | Freelance, output based

Owned the marketing strategy at SAMASE Sports Club from pre-launch through grand opening, covering Fitspace, Physio, and Padel.

- Set the pre-launch to grand opening strategy: positioning, messaging, and funnel.
- Ran the funnel from awareness and lead generation through segmentation to closing.
- Directed the marketing team, content production, paid ads, and offline events.

Products: SAMASE Fitspace, SAMASE Physio, SAMASE Padel

Feb 2025 – Apr 2026
Head of Creative, FAR Group
South Jakarta, Indonesia | Fulltime, remote

Leading the creative team at FAR Group while running operations for Indonesian Fitness Founders, an agency serving the fitness, beauty, and wellness sectors.

- Held brand consistency across the FAR Group portfolio, including Fitquarters and MindWorks.
- Turned business targets into visual work: key visuals, brand guidelines, content plans, and promotional decks.
- Ran Indonesian Fitness Founders end to end.

Products: Fitquarters, MindWorks, Indonesian Fitness Founders

Dec 2023 – Dec 2025
Brand & Graphic Designer, Birru.co
Lampung, Indonesia | Freelance, remote

A full rebrand for Birru.co, a speech therapy house for children, down to its own typeface.

- Led the rebranding of Birru.co, a speech therapy house for children.
- Built the new identity: logo redesigns, tagline, colour palette, pattern assets, and the brand guidelines the team works from.

Nov 2019 – Jun 2024
Graphic Designer & Illustrator, Nusalab Studios
Tangerang, Indonesia | Fulltime and freelance, remote

Five years of identity, content, and illustration for Nusalab and its clients.

- Designed Nusalab's logo, built social media templates, and rebranded the company mark.
- Produced the Altravel Solutions price catalogue, supported the CV Karya Multi Bersama rebrand, and contributed to microstock platforms.

Products: Altravel Solutions, CV Karya Multi Bersama

Dec 2022 – Mar 2024
Web & Creative Designer, Adonai MediaTech Solutions
Punggol, Singapore | Freelance, remote
Landing pages for Adonai's Singapore clients, from an eye clinic to the country's oldest youth movement.

- Built the landing page for Ascend Eye Clinic in Singapore.
- Revamped The Singapore Scout Association's landing page.

Products: Ascend Eye Clinic, The Singapore Scout Association

Jan 2022 – Apr 2022
Brand Designer, Backslash Creative Nusantara
South Jakarta, Indonesia | Freelance, remote
Identity for the studio itself and for Vjatre, a new skincare brand.

- Made the logo for Backslash itself and for Vjatre, a new skincare brand.
- For Vjatre: logo, brand guidelines, tagline, social media templates, and packaging design support.

Products: Vjatre

Selected Projects

Luna POS, Product design, 2021 – Present
Point of sale SaaS spanning five apps. Merchants grew from 1,000+ to 4,500+ during my time on the product.
Role: Product Designer, IMPACTO, for LUNAPOS
Impact: Active merchants went from 1,000+ to 4,500+ over my time on the product.
Live: lunapos.id | **Case study:** isnul.site/en/work/luna-pos

Laba.id, Product design, 2021 – Present
Accounting app for Indonesian MSMEs, designed from zero as the first designer on the team.
Role: First Product Designer, IMPACTO, for Laba.id
Impact: Released 23 December 2022 and still in active development.
Live: laba.id | **Case study:** isnul.site/en/work/laba-id

Laba Saku, Mobile app design, 2021 – Present
Laba.id's bookkeeping app for Android: record a sale, take QRIS, print the receipt, all from the phone. 10K+ downloads, rated 4.5 on Google Play.
Role: Product Designer, IMPACTO, for Laba.id
Impact: 10K+ downloads and a 4.5 rating from 59 reviews on Google Play (October 2026).
Live: play.google.com/store/apps/details?id=com.impacto.kakutor | **Case study:** isnul.site/en/work/laba-saku

TokoClippers, Product design, 2026
A platform pairing creators with clippers, two sides with opposing needs, and the design system underneath it.
Role: Product Designer, TokoClippers
Impact: One product for two sides with opposite needs, creators and clippers, on a single design system.
Case study: isnul.site/en/work/tokoclippers

SAMASE Sports Club, Marketing strategy, 2026
Marketing strategy from pre-launch to grand opening, across Fitspace, Physio, and Padel.
Role: Head of Marketing Strategy, SAMASE Sports Club
Impact: The landing page is live at samasesportsclub.com, with separate pages for Fitspace, Physio, and Padel.
Live: samasesportsclub.com | **Case study:** isnul.site/en/work/samase-sports-club

The Singapore Scout Association, Web design, 2023
Landing page for Singapore's oldest youth movement, a registered charity dating back to 1910.
Role: Web Designer, Adonai MediaTech Solutions, for The Singapore Scout Association
Impact: One page serving parents, volunteers, and donors at once, with donation, volunteering, and the Scout Shop up front.
Live: scout.sg | **Case study:** isnul.site/en/work/singapore-scout-association

AndalusClass, UI/UX design, 2020
Attendance and scheduling web app built for an Islamic boarding school during learning from home.
Role: UI/UX Designer, Al-Andalus International Islamic Boarding School
Impact: Kept the school's attendance and daily activity running online while the campus was closed for Covid-19.
Case study: isnul.site/en/work/andalusclass

Birru.co, Brand identity, 2023 – 2025
Logo system, brandmark variants, tagline lockups, and a custom typeface drawn for the brand.
Role: Brand & Graphic Designer, Birru.co
Impact: Birru Sans shipped in twelve styles, six weights each with an italic.
Case study: isnul.site/en/work/birru-co
